

Transport directions and car parking

By road

Discovery Point is on Riverside Drive, just off the northbound slip-road of the Tay Road Bridge. All other entry routes should follow signs for 'city centre' but Discovery Point is clearly signposted throughout the city. Enter DDI 4XA postcode in your sat nav.

By rail

Dundee is on the main East Coast line and railway station is directly opposite Discovery Point.

By bus

Most buses from Fife stop at Greenmarket which is just at the side of the railway station so only two minutes' walk to Discovery Point. If you are coming from Forfar, Discovery Point is a short walk from the High Street. All buses from Perth, Blairgowrie and Coupar Angus stop at Debenhams, outside the Overgate shopping centre. Discovery Point is just minutes away from any city centre bus stop.

Car Parking

There is short-term pay and display parking adjacent to Discovery Point. For other parking you can use the Greenmarket multi-storey car park (sat nav DD1 4QB) or either the Gellatly street car park (sat nav DD1 3RB) or the Olympia car park (sat nav DD1 3JU).
